

**BEES PLEASE** lyrics & Chords

April 2016

Bees be happy  
Bees be cool  
Making honey  
In Mother Nature School  
Bees be happy  
And healthy please  
Helping the earth  
Grow her plants and trees

CapoIII A7 E7 D G  
C G D

Flower to flower  
Drinking the nectar  
Catching the pollen  
In pollen sacs  
    Flower to flower  
    Bees pollinate  
    So the plants and trees  
    Can grow their seeds

Flower power  
Grows the Fruits and Veggies  
We humans eat  
Thanks to the bees  
    Working together  
    Sisters and brothers  
    Working to help  
    Their queen bee mother please

They need to keep the hive alive  
Growing and flowing with honey  
Here comes a forager working for hours  
Telling her friends where to find the flowers
