Many Colors Are We

10/2008

We are made of many colors
Estamos hechos de muchos colores
Many colors are we
Somos muchos colores
We are made of many colors
Estamos hechos de muchos colores

We are the human tapestry
Woven of many threads
Each one unique and precious
Together making the same fabric

We are made of many songs
Estamos hechos de muchas canciones
Many songs are we
Somos muchas canciones
We are made of many songs
Estamos hechos de muchas canciones

We sing to our home in the starfields
We sing to each other, right here
Songs of longing and belonging
Songs of hope and love and defiance

We are made of many stories
Estamos hechos de muchos cuentos
Many stories are we
Somos muchos cuentos
We are made of many stories
Estamos hechos de muchos cuentos

We are the human story
Each one of us, a marvelous tale
Facing the future
Forgiving the past
Stories of the journey home

We are made of many places
Estamos hechos de muchos lugares
Many places are we
Somos muchos lugares
We are made of many places
Estamos hechos de muchos lugares

We are the human tribe
We live in cities, towns and villages
We come from the mntns. & forests,
the deserts, jungles and plains
We are the footprints we leave for
our children

We are made of many dreams
Estamos hechos de muchos sueños
Many dreams are we
Somos muchos sueños
We are made of many dreams
Estamos hechos de muchos sueños

We are so much more than we know
Starry dewdrops & sparks of wonder
Given the breath of life
Given intelligence, given choice
To give back, to cure, to create
