Heartbeat of the Future

Hey, do you hear the thunder rumbling like a drum under the sun
Hey, do ya feel the rhythm of the rising tide
calling you inside

(chorus)
Hey, you are the heartbeat of the future
Yes, you carry the fire of hope inside
Hey, the world you're dreaming for
Is dreaming for you

Hey, get yourself down to the river
Let the waters wash over you
Hey, cast your eyes on the horizon
A new dawn is shining through you

Hey, we see the waters of the spirit shimmering
In your eyes
Hey, we see you walking with the fire
in your heart
and in your stride
